**BUSINESS BUILDING FOR THE FUTURE**  
by Evoloshen

*You are cordially invited to a revolutionary business event  
presented by Evoloshen*

# Business Building For The Future:

You will learn how to thrive in today's competitive ever-changing business environment with the powerfully effective principles and strategies revealed exclusively at BBF.

- Experience a once-in-a-lifetime event where some of **the world's greatest business leaders** and **inspirational speakers** share the practices used by the Most Amazing Companies in the world to **build sustainable businesses** that continue to improve well into the future.
- Witness the first annual awards ceremony to recognize the **Most Amazing Companies** in the world that most positively impact people's lives and the planet as a whole.
- Draw **inspiration and empowerment** from the new business mindset that will keep you on the cutting edge moving into the future
- Solve the biggest problems most businesses face: how to get the **best engagement** and performance out of your employees and how to find new superstars that will help bring your grand vision to life.
- Meet and network with great **forward-thinking business people** like yourself and share your takeaways and insights to maximize your personal and professional development.
- Learn how the focus of **groundbreaking companies** is shifting towards the "softer" side - focusing on improving people's lives - and how you can implement this shift and cultivate the right culture in your company to bring about the **highest returns**.
- **VIP Tickets** include: 3 hours additional VIP Training Session with the Speakers, exclusive VIP Networking Lunch, preferred seating, invitation to the TMAC Fest & Cocktail Party at the end of BBF to celebrate, meet, and mingle with the speakers and other attendees.
- Proudly brought to you by Evoloshen, BBF is **the can't-miss event of the year** that will help you take your business venture to the next level and beyond.

*"While the industrial age was all about wealth, unsustainable growth through depletion of natural resources and delivering profit to your shareholders, this new era, the "Age of People", is all about shifting the focus to how businesses can and must deliver benefits to people and the planet—as well as shareholders."*

~Richard Branson
